

Indiana University of Pennsylvania

OFFICE OF INTERNATIONAL EDUCATION

Greetings Partners:

We, in the Office of International Education at Indiana University of Pennsylvania (IUP), look forward to hosting your students during the next academic year, 2023-2024. To ensure an efficient application process, we are distributing information about International Student and Scholar Orientation, arrival dates, tuition and fees, meals and housing accommodations. We strongly recommend that all non-degree applications be submitted to the OIE by the deadlines listed below. However, we can continue to accept applications from most countries after the deadline, but on-campus housing cannot be guaranteed. Please contact us if you have a late application.

RECIPROCAL EXCHANGE STUDENTS

Before making your selections, we ask that you please **contact us by e-mail** to find out the number of reciprocal exchange students that we can accept during the 2023-2024 academic year.

Reciprocal exchange students will be assessed fees based on the exchange agreement. In addition, reciprocal exchange students whose tuition and fees are waived per the exchange agreement are assessed the following mandatory fees: Orientation, Immigration Services, Evacuation/Repatriation Insurance, and Student ID Card fee (approximately \$400). Reciprocal exchange students should register for 12-15 credits per semester.

FEE-PAYING NON-DEGREE STUDENTS

Students from partner universities who pay tuition and fees directly to IUP are referred to as “fee-paying” non-degree students. These students receive a significant tuition discount and pay only 10% more than Pennsylvania residents. The cost of tuition and fees is approximately \$6,800 per semester plus international fees, room and meals. For a full course load, undergraduate students will register for 12-15 credits per semester.

HOUSING & MEALS

IUP requires all students to live on-campus in one of IUP’s suite-style residence halls.

Each suite is equipped with individual bathrooms, high-speed wired and wireless internet connectivity, microwaves and refrigerators, individually controlled air-conditioning and heating, and many more features. The cost of housing in a two-person shared semi-suite is approximately \$4,475 per semester. Other suite options are available at increased costs. More information is available online at <http://www.iup.edu/housing>.

We recommend that international students choose **Wallwork Hall** when selecting their on-campus housing, as this facility is dedicated to Global Awareness and remains open during break periods such as Thanksgiving Break, Winter Break, and Spring Break when other living facilities are closed. Housing during Thanksgiving Break and Spring Break is free for international students living on-campus provided they register for break housing in advance.

Students living on campus must enroll in one of six available meal plans. Descriptions and pricing of each meal plan are available online at www.iup.edu/housing/forms/housing-and-dining-costs.

The IUP Office of Housing, Residential Living and Dining requires all Fall 2023 Semester students to **reserve their on-campus housing online by JUNE 1, 2023**. Housing requests submitted after this deadline may not be honored due to lack of rooms. Spring Semester housing is typically less competitive.

WINTER BREAK HOUSING POLICY

A student may stay after Fall semester (up to 4 days past the date of graduation) for a fee of \$35 per night. Returning students may arrive early for Spring semester (up to 4 days prior to returning student check-in) for a fee of \$35 per night. All international students staying later/coming earlier than the 4-day window will be charged the flat winter break housing amount of \$392.

ARRIVAL DATE

All new international students and scholars should arrive on the Arrival Date and must attend International Student and Scholar Orientation. IUP sponsors a bus pick-up from the Pittsburgh International Airport for students who arrive before 19:00 on the specified Arrival Date. The cost is \$60 per person, and a seat must be reserved in advance for each student by submitting the "Orientation Arrival Form" – see www.iup.edu/international/students-scholars/students/new/arriving-at-iup.html#IUPAirportPickup. Students not arriving on the official Arrival Date must arrange their own transportation to IUP. Please note that the Pittsburgh International Airport is approximately 2 hours from IUP, depending on traffic, weather and road conditions.

If students cannot arrive at the airport before 19:00 and want to ride the IUP-sponsored bus, we strongly recommend they plan to arrive a day early and stay at a hotel near the airport. Many hotels near the airport offer free shuttle service to and from the airport, so students can be transported back to the airport to catch the IUP-sponsored bus to Indiana on the official Arrival Date.

INTERNATIONAL STUDENT ORIENTATION

International Student and Scholar Orientation is mandatory for all new international students and scholars. A \$150 fee is charged for this program. Orientation is designed specifically for international students and scholars to help them succeed at IUP. They will learn about IUP academic and student services, U.S. academic culture, and student visa and immigration regulations.
